## To My Husband,

- Come, rest thee, many one, awhile, And east thy carrs aside; I long to see thy carnest andle. When sented by my side.
- Liong to hear thee, o'er and o'er, Repeat to whispers low,
- And though thou tell'st it every time Thou'rt sitting by my side, The dearer far, though years a wife, Than when I was a bride.
- I coin thy whiskers into gold, And toek them in my heart, They'll be my treasures when I'm old, Should death our beings part.
- so all thee down, and chant thy song— Each time it sweeter seems, it trills its nussic all day loads. And echoes in my dresms.

Did you know that the noney you receive in exchange for the vile staff you sell across this bar, is the same as taking the bread from the mouths of the famishing wives and children of your customers? THE UNK WEED REMEDY

Oregon Rheumatic Cure.

HISTORY:

THIS REMEDY IS COMPOSED OF THE Active principle of the Unk Weed, Eng.—Thaspium Cordatum Originis, Lat.—Indigenous to Oregon. Grows most abundantly and perfectly in Washington county.

MEDICAL PROPERTIES AND USES: It is the most sure and speedy cure for It Boes More Work, Pains of all kinds that was ever introduced into the Materia Medica. The UNK WEED REM-EDY, as prepared by us, in consequence of the existing biliter principle, possesses the neces-sary virtue of being a

Powerful Tonic,

Promoting the Appetite and Invigorating the whole Digestive Appuratus, thus building up and strengthening the system, while at the same time the volatile principle, being absorbed in the blood, acts specifically on the Rheumatic Poison, removing it from the circulation and system.

There are lew remodies known to the Medical Profession which will remove the Rheumatic Poison from the blood, but whose action is so powerful in depressing the system of the already enfectived Rheumatic poison, that their use has to be ahandoned before specific effects are obtainable, and hence the want of success in treating this prevalent and consequently heretofore incurable disease. Unlike these medicines, already known, the UNK WEED REMERY, although producing as active and as powerful effects on the blood and system in removing the Rheumatic Poison, also possesses a strong Tonic and Recuperating Element which admits of its cominned use even by the most delicate and debilitated. Thus we have the combination for the first time of these two necessary elements in one remedy, which accounts for its superior and never-failing curative effects in Rheumatic Pains of all kinds.

N. R. The UNK WEED HEMEDY is particularly APPLICABLE TO LADIES, in consequence of its Tonic Qualities.
